IRIS ANDRADE

PROJECTS

Ink Geeks — *Updating Logo Design*

I updated the Ink Geeks logo by changing the fonts and color with illustrator.

Birthday EVite

I created an Evite in illustrator for a Mexican themed birthday party.

North Point Lighthouse Art Show — *Art Show Campaign*

For the North Point Lighthouse Art Show I worked independently on a poster, outdoor banner, and a Facebook video ad. In these projects I used Illustrator and iMovie.

EDUCATION

MATC, Milwaukee — *Graphic Design*

August 2020 - May 2022

I have been consistently on the Dean's List for my courses since the beginning of my technical courses even with course load work of 16 credits at a time.

EXPERIENCE

Penfield Children Center, Milwaukee — *k4 Teacher*

APRIL 2017 - PRESENT

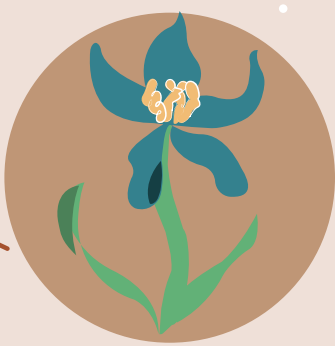

I started at Penfield as a childcare floater in 2017 by 2020 I was an enrollment specialist. Then by 2022 I became a Childcare teacher for a mixed age group. In all these roles I needed to be able to adapt quickly, practice patience, attention to detail, creative decision making, and communication skills.

Technical Skills

Indesign
